THE RAGLAND'S MONTHLY SUPPORT

Home Stretch in Monthly Support Goal

We praise the Lord for His faithfulness in providing for us, and we are grateful to share that we have reached **80%** of our monthly support goal. We ask that you would continue to pray that the Lord would provide the remaining support before our baby arrives in May. If the Lord lays it on your heart to commit to monthly support, or to connect us with someone who may be interested, there is a button below that provides all the information needed to give. Thank you so much for your prayerful consideration and partnership in this ministry.

Word of Life Europe Retreat

Every other year, Word of Life hosts a missionary retreat in Europe with the purpose of gathering missionaries together to be encouraged by what God is doing in ministries across the continent. It is a meaningful reminder that we are one body, serving the Lord with the same purpose. This was such a sweet time of worship, fellowship, and encouragement alongside other missionaries.

Word of Life Mission Trip to the Czech Republic

Every year, **Word of Life Hungary** requires students to participate in a mandatory mission trip. This special time allows them to put into action everything they have been learning in the classroom, sharing the Gospel, serving others, and stepping out in faith by raising support. This year, we had the incredible privilege of leading a group of nine students to the Czech Republic.

The Czech Republic is known as one of the most atheistic countries in the world, and many people openly take pride in that identity. During our time there, we had the opportunity to visit public schools and teach English. While we were not permitted to openly share the Gospel in the classroom, God opened another door. We were able to build relationships with the students and invite them to attend a Word of Life Bible camp this summer, where they will have the chance to hear the Good News.

Another way we served the community was by working on projects around the Word of Life property, including demolishing an old sound booth and doing yard work. Although there were limitations on openly sharing the Gospel, God still gave us many opportunities for Gospel conversations. For years, Word of Life has been faithfully building bridges to reach the Czech people with the Gospel, and we were grateful to be part of that work.

Fun & Fellowship

Every school year, the Bible school students put on a talent show. This year, we saw many different talents and some fun and creative ones too! It is a special time for students to come together and share their gifts with one another. We feel very blessed to know and serve these students.

Since we had been away for three months raising support in the States, we planned a special “catch-up” time with our interns. We shared dinner, played games, and they were able to spend the night at our home, which gave us meaningful opportunities to get to know them better. Many of them are prayerfully considering their next steps after their internship, and we are thankful for the privilege of walking alongside them during this important season of life.

Indoor Baseball in Croatia

The cold weather does not stop these young athletes from playing the game they love. Although it is fast paced and definitely different playing indoors keeps the kids active and engaged in the club through the winter season. Our team had a great run and the kids competed from start to finish but were not able to manage a top three finish this time. Regardless of the outcome, we were able to love on the kids all day. Encouraging them in the short falls and praising them in their victories. I (Cody) believe this trip helped strengthen my relationship with some of the younger players, in hopes that they see the Gospel in my words and actions!

Praises:

- The team we got to lead to the Czech Republic was able to serve well making a great impact on the community.

Prayer Requests:

- Pray for the Ukrainian boy who heard the gospel this week in Czech that he would give his life to Christ.
- Our residency permit to get approved by the end of April.

- We have submitted our residency documents and had our interview at the immigration office with no issues, so far.
- Our devotional times with the students on the mission trip were full of great conversations, encouragement, and challenges.
- We are at 80% of our full support goal
- This Friday we will be sharing the gospel to Cody's baseball team!!
- Continued health for baby and Becca.
- That we would reach full support before the baby is born.
- For God to provide the people and finances for the Faith Field summer mission trips.
